17752.
June 21st  Sunday

Dear Kenmerer Sunday Morning about 9. Am. 17752 Driv Nw on Good paved road Us 89 leading to Yellowstone Park. Crossing bridge after crumbling down to the Green River Valley now far south from the old Mormon Ferry. This is called Key. only a few scattered places.

W 284 17805 about 4.7 North from Tiresa, between Us 89 & Green River Valley on gentle slope, between steep ethnic fire line. many scattered C.S. Tarty & Obliterated. Few pastures.

Drive then By Pinedale to Daniel across the whole Green River turns at E. m. Us 187  - stopp'n & room for lunch. Fine view of the Wind River Mts. to the N & N.E. - the salt River Range to the I. Very hot day

Valley everywhere green, plenty of water no site.

Afternoon drive south to way Us 187 through Pinedale & Powell, beautiful valley then in dry, arid & sick valley. Right rolling, cute & fresh. north For much N of Sublette's Flat road is being oiled, improbable after that.
through Fearn, onto Sandy Beach Creek, to Rock Springs. Arrived 3:40. 179665.

Left Rock Springs 8:50 a.m. Iron no delay. Left by road to Winton. Coled camp, took break with my brother in law. Looking for lithograph v. 0.16. Least oil road. Day ride to road. No water.

1810 back to Rock Springs.

Left Rock Springs 8:50 a.m. on road against mountain side. No water. Into rocky town. Looking for lithograph v. 0.16. Least oil road. Day ride to road. No water.

Had lunch on Noon at town. Retained to Rock Springs. Waiting for Wagner v. 15.

Left at 3:20 - 1811

Sailed E. on U.S. 30 to Rawlin's arrived 5:30 - 18125.

Had dinner at Pioneer Cafe. Stayed at Ferris Hotel.

Boys arrived about 7 P.M.
June 23rd — Tuesday

Wayne arrived at anchor no. 2 for San Francisco — Medicine boat for Marshall.

Celeste arrived at anchor no. 1. Banya, Nobile, an American vessel. After visiting the Bull's Eye, Banya sailed back to San Francisco.

Tired and very ill, visited General Dyer's bateau in Van Ness tent at Wickersfield. Dyer's fate: too far and too late. Rain and notebook were soaked in the picturesque "Ferry Narrows" on steep slope of American River.

10.0: heat. Called on Charlotte Hcb dinner with her & her husband James Pierce & little daughter.

Left C. of E. church at 8 PM. arrived Douglas 9.15. 1830. 6th after long holiday at Hayes's La Barrête House.

June 24th — Wed.

1830. 6. 7

Drove on US 87 to junction with US 26 to meet all at 10 AM. Mr. Baker from Scott's bluff. Left car no. 1. Return to Johnson with Cecelia & Mr. Clark Randels.

21
John north on US 87. Turn W. at 211.667 on county road leading to Burford. 27 1/2 main junction
